

MESSAGES OF THANKS

September 2003 “We wish to extend our sincere thanks for the donation of books from the EDUCARE program. They will provide an invaluable teaching and learning resource for the Ugandan school children and their teachers. It is great to see such resources being recycled and made available to students with limited access to literacy tools. Bill”

September 2006 “At last I am able to enclose a photo of the pallet of books, the children and staff of the Colchester School. What a joy it has been for them as you can see. Please do convey our sincere appreciation to all concerned.

We had a lovely get-together with the children on Arbour Day this year, planting many trees, this time trees that had been donated by the Parks Board of the Addo Elephant Park. A Port Elizabeth bakery teamed up as well providing a barbecue and giving each child a hamper of bread / flour etc to take home also a colourful shirt and peak.

Many thanks, God Bless you all for this tremendous gift of books. Your sister in Christ Barbara.”

January 2011 “Books were handed over to Kongwa District Education Officers at the presence of ITV and TBC, these last broadcast the event on their respective TV stations and the District Commissioner thanked the donors so much for their generosity of thinking about developing countries, in general, but Tanzania in particular! He suggested that we should humbly request them to keep on sending more help like that because they have many schools which lack books, that they will appreciate if this relationship will remain continuous! He finally wanted to us to thank donors very much on behalf of all inhabitants of Kongwa District whose children were going to benefit from the use of these books.

Please do transmit his gritudes!

Looking forward to hearing from you about the continuity of this relationship, I bless you in Jesus mighty name, Amen! Fr Phocas.”

October 2011 “How can we say thank you for all that you do? Yes, please (send more), all will be accepted in 2012 and beyond - in fact, I am moving parishes to an inner city parish, where the need is even greater than before so all donations will be gladly accepted. There are 20+ schools in the area that will benefit from the books.”

Blessings Sharon”
